Staying Safe: Near Water

There is water everywhere.

There is water at the beach, in a lake, or in the ocean.

There is water in a puddle, on a dock, or in the pool.

There is water in the bathtub, in a fish tank, or a big aquarium.
Staying Safe: Near Water

Being in the water can be fun.

But being near water can be dangerous if I don't follow the water safety rules.

To stay safe and have fun in the water, I will learn the water safety rules.

When I am in or near the water, these are the safety rules I will follow.
I will stay close to a helper when I am in or near the water.

A helper can be an adult like a parent, a teacher, or a caregiver.

I will follow directions.

I will ask for help.
Staying Safe: Near Water

I will ask my helper before I go into the water.

I will ask for help if I want to get something that is in the water.

When I follow the safety rules, I can stay safe in and around the water.

When I follow the safety rules, water can be fun and safe!
