

What to Do When I Want to Leave

Usually, I want to go to the movies or a show.

In the movies, it is dark, and I sit with my friends or family.

Sometimes, the movie or show is boring, or I don't like it.

What to Do When I Want to Leave

I might want to leave before the movie or show is over.

It is important to ask a grownup or adult if we can leave before the movie or show ends.

I can say, “Can we leave now?”

What to Do When I Want to Leave

The grownup or adult might say, “Yes,” and we will leave the theater.

Sometimes the grownup or adult might say, “No,” because someone else might want to see the end of the show.

I will try very hard to stay calm and quiet and watch the end of the show.

What to Do When I Want to Leave

If I stay calm and quiet, the other people can watch the show and won't get upset.

And the grownup or adult will say, "Thank you for being so patient."
